

**Milarepa Center  
is looking for a Center Manager!**

**IS MILAREPA CENTER  
THE RIGHT PLACE FOR YOU?**

**LIVE**

We live on 276 lush acres of forest and fields. Living in a community of other Dharma practitioners provides a space to connect more deeply with your own spiritual practice. Our food is delicious, nutritious, and fulfilling. If you're looking to live closer to the Buddha's path, then Milarepa Center is the place for you!

**WORK**

A typical day at Milarepa Center starts with offering water bowls. Meetings have motivations and dedications, and everything we do is to benefit others. Our days can be long, but they are always meaningful, because we're serving Lama Zopa Rinpoche. If you want to make your life meaningful, working at Milarepa Center is the place for you!

**PLAY**

We're located in a great part of the United States where you can find free indie films every night of the week, free local concerts, craft shows, and more. We love to hike or snowshoe on our own property, swim in nearby lakes, and explore the Northeast Kingdom. If you want a down-to-earth place to unwind on your days off, Milarepa Center and Vermont is the place for you.

**APPLY TODAY!**

**Applications for Center Manager are  
due February 24, 2015.**
